

Division 5 Coed

A player wanting to play in this division **MUST** have been born in Jan-May of 2020 or 2019 or 2018

Director: David Kiser BYSA Director 1991-present; Bartlett High School Soccer Coach 1986-2009, Bartlett SC President 2005-present

Trainers: Parent volunteers that have been specifically trained to teach the rules and skills of the game. Training session for this age is Saturday, February 24, 8:30 a.m. - 9:30 a.m. at the Bartlett Blvd Soccer Park.

Philosophy: The purpose of BYSA is to provide the community of Bartlett a league for the adults and their children to learn to play the sport of soccer.

Goals: (1) Have fun. (2) Learn the rules of the sport. (3) Learn the individual skills.

Purpose: Educationally speaking, children of this age are not ready for team sports. This age child does not have the social nor the organizational skills to play with other children in large numbers. We suggest meeting the needs of the child by allowing them to play in an environment more conducive to their age and social skills. By playing 3-a-side Micro-soccer the children are afforded greater participation. This is brought about through the reduction of players on the field and the reduction of field size. Because there are fewer players on the field, your child will touch the ball more which will a) develop his/her skills and b) allow your child greater participation.

The Teams: The ideal number of players on a 3-a-side team is six. The number of players per team is dependent upon the number of players registered and the number of parent volunteer trainers.

Practice: Players in the D5 division will practice at the **Bartlett Blvd Soccer Park**. You should receive information through email instructing you where at the complex to meet the rest of your team. If you have not received information by the first listed date, come to the first practice and we will direct you where to go.
